**Monthly Rental :** The minimum rental payment period is six (6) months. An instrument may be returned at any time. However, the minimum rental period is six (6) months.

**Optional Monthly Insurance :** Insurance is optional. Some hirers' household insurance may cover the rental instrument. So, hirers are encouraged to check their household insurance policies. Nevertheless some hirers prefer to have the peace of mind of this specific insurance coverage to cover theft and damage. (Refer to web site for details)

**Once Only Setup Fee :** The once only setup fee establishes the rental agreement and includes delivery if required.

**Rent to Buy Option:** All rental payments made during the first six (6) months can be deducted from the cost of the instrument if purchased during that time (Not including insurance or the setup/delivery fee). All rental payments made during the first six (6) months and half of all future payments made thereafter can be deducted from the purchased price if purchased later on (Not including insurance or the setup/delivery fee). Payments will continue to be deducted until returned, purchased or paid off.
